Provide a brief response to each of the following questions:

- 1) How many participants attended the event? Were there any unexpected benefits to the community or participants in attendance?

- 2) Describe any measureable outcomes as a result of your event and any anticipated future positive outcomes.

- 3) Do you have any plans to follow up with participants? If so, describe.

Please attach copies of published materials related to your event(s) (i.e. flyers, press releases, newsletters, newspaper articles, and outreach materials)
