

Let's make Silicon Valley the healthiest region in America

## Board of Trustees

### **Marianne Jackson**

Senior Vice President of Human Resources, Blue Shield of California

Ms. Jackson's career spans 25+ years in the Human Resource management field, working for primarily high technology companies. Her areas of expertise include organizational effectiveness, executive coaching, workforce optimization, strategic planning and culture shaping.

For the last six years, she has held the position of Senior Vice President of Human Resources, Community Relations, and Internal Communications for Blue Shield of California; one of the three largest health plans in the state.

Prior to Blue Shield, Ms. Jackson held the position of Senior Vice President and Vice President for Palm Inc., Cisco Systems, SanDisk Corporation and Logitech. Ms. Jackson has also held executive leadership positions with Silicon Graphics and Sun Microsystems.

Ms. Jackson holds bachelor degrees in Psychology and Sociology from the University of California. She also completed graduate course work from the University of Santa Clara in Counseling Psychology.

Ms. Jackson previously held board positions with Catholic Charities, Santa Clara University and San Jose State advisory board for the Business School/Human Resources.
