About The Health Trust AIDS Services

The Health Trust is the largest provider of services to Santa Clara County residents with HIV/AIDS and empowers patients and families to solve their day to day needs.

The Health Trust AIDS Services provides case management to assist with managing medication; communicating with medical and social service providers; negotiating complex systems such as Social Security and health insurance; finding emotional support; mental health and substance abuse treatment referrals; and referrals to other services in the community. The Health Trust AIDS Services also provides hot meal delivery, food baskets, homecare, and rental subsidies and support services to help residents find and stay in affordable housing. In addition to these services, The Neil A. Christie Living Center, located in the heart of San Jose, is a drop in community center and the wellness and prevention home of the HIV/AIDS community in Santa Clara County.
